

Hassenbrook School Headlines

Opportunity through learning

3rd September 2021

Dear Parents and Carers,

Welcome to the first Headteacher Bulletin this term! And a warm welcome to our year 7 parents joining us! I sincerely hope that you had a lovely summer break with your families and are all raring to go for the new term. I certainly enjoyed catching up with friends and family over the summer, and being able to travel outside of Stanford-le-hope as restrictions have been eased.

We have had a fantastic first day today with year 7 and 11 in school. It is so lovely to see the new year 7s looking smart in their uniforms, getting to know the school and their new teachers, making friends and finding their feet.

Year 11 have had a motivational day today to prepare them for the year ahead, GCSE examinations and college and sixth form applications. It is a big year for them and we have started as we mean to go on!

Thank you for sending your child in for testing before term started; it does play an important part in keeping us all safe.

Summer school was fantastic! There were so many different activities on over the summer that our children engaged with, I hope you had a chance to look at the photos on Facebook. If you don't already, please follow us on Facebook at Ortu Hassenbrook Academy. We endeavour to post as many photos as possible and I intend to do Facebook live this term to ensure that communication with you is as up to date as possible.

We look forward to welcoming years 8, 9 and 10 on Monday morning!

Have a lovely weekend

Mrs S Feeney

YOUTH MENTAL HEALTH DAY

When is it?

Tuesday 7th September

What is the theme?

#StrideForward

What is Youth Mental Health Day?

This day encourages **understanding** and **discussion** of mental health in young people, enabling them to live **happy** and **healthy** lives all year round.

Each year, the day aims to get young people, and those who support them, talking about how to improve mental health.

TUTOR TOPIC W/C 6/9/21

Studybugs

If you haven't already done so, please get the free Studybugs app, or register on the Studybugs website, and use it to tell us whenever your child's ill and unable to attend school. It will also help us track and act early on any Covid-19 reports, protecting staff, students and our surrounding community. Get the app or register now:
