

Thursday 22 August 2019

Dear Parents,

I interrupt your summer break with great news to share with you about our excellent results achieved by our Year 11 students. Our students have worked incredibly hard and the results they have achieved today are well deserved.

Despite national changes in English and Maths GCSE specifications making the content much more rigorous and challenging, our students have surpassed expectations and a number have achieved top grades of 9, 8 and 7.

An exceptional proportion of students achieved across a wide range of subjects including Science, Languages, Music and Drama. We have much to celebrate and our provisional highlights include the following:

- 63% achieved grade 4+ in English
- 70% achieved grade 4+ in Maths
- 100% achieved grade 4+ in Biology
- 100% achieved grade 4+ in Chemistry
- 100% achieved grade 4+ in Physics
- 73% achieved grade 4+ in Drama
- 100% achieved grade 4+ in French
- 90% achieved grade 4+ in Music
- 75% achieved grade 4+ in PE

Our students and staff have worked extremely hard and deserve these achievements. We will continue to focus on developing our students through high quality teaching and student enrichment, as we become a great school in every way.

I would like to thank all our parents for all that they have done and continue to do to support our children to achieve their very best.

Yours sincerely,

Joanne Williams  
Headteacher
