Monday 28<sup>th</sup> September 2020

Dear Parent/Carer

In light of the rapidly changing situation regarding COVID-19 we have today, made a decision not to run physical tours as part of our open events this year. While we do not have a high numbers of COVID-19 linked to Hassenbrook, breakouts in the local area and in local schools are growing on a daily basis. Additionally, the national picture is showing that cases are on the rise faster than the Government had hoped. This is why we have made this decision.

We very much appreciate the interest you have shown in Hassenbrook Academy and would like to share the various opportunities you still have to find out about our fantastic school. We have placed a strong focus this year on our virtual open events. There is an array of videos and clips which will show you more information on our website please click on the link <http://www.ortuhassenbrook.org/478/news>. From this virtual information, you and your child will gain a detailed insight into life at Hassenbrook Academy.

We hope you are able to enjoy our virtual open events in the safety and comfort of your own home. If you have been provided with a date and time for a tour, this will now be cancelled for the time being but we hope to offer physical tours to prospective families later in the summer term. We will contact you nearer the time if this is possible.

We will be posting admissions information on our website, please email [admin@hassenbrook.org.uk](mailto:admin@hassenbrook.org.uk) to ask questions which are not answered in our information videos.

I wish you all the best as you consider the possibilities for year seven.

Yours faithfully

Joanne Williams  
Headteacher
