Part I Leave of absence policy

I. Introduction

This policy sets out the types of leave of absence which can be requested by staff, including whether it is a statutory entitlement or discretionary and whether it is paid or unpaid. It further explains how staff should request such leave and how decisions will be made.

I.1 Policy statement

Essex schools/academies aim to deliver high quality services whilst enabling staff to combine their working life with the increasing demands on their personal life. This requires mutual flexibility from both the employee and the employer. This policy supports the need for employees to be allowed reasonable time off for a range of circumstances. The Headteacher/Principal and Governors will consider all applications for leave of absence in a fair and equitable manner within the table set out in this policy document.

The Governing Body (GB) will ensure that all requests for leave of absence are dealt with sensitively, professionally, speedily and fairly.

I.2 Definitions

- **Statutory absence**
This is an entitlement under employment legislation.
- **Mandatory absence**
This is an entitlement as part of an employee's terms and conditions of service.
- **Discretionary absence**
This is not an entitlement, but absence/pay is at the discretion of the Headteacher/Principal & Governors and each request will be considered on its individual circumstances.

- Current employer

Current employer means continuous employment at an Essex community school/ voluntary controlled school(s), or, current service at a foundation school/voluntary aided school.

2. Scope of policy

The policy applies to all employees and covers a wide range and type of leave, including where statutory rights exist and where Headteachers/Principals and Governors have discretion over approvals.

The policy is intended for matters affecting people personally.

Requests by the CEO for leave of absence must be directed to the Chair of Governors.

Indicated in the following tables are the maximum levels of absence. The CEO is authorised to deal with the majority of cases which are unlikely to exceed the stated number of days per year or term as an immediate decision is often needed, particularly for compassionate reasons. The Governing Body only need to authorise leave of absence in exceptional cases.

If a part time member of staff requests leave of absence, the maximum days given in the table should be pro rata'd.

Where indicated, managers and employee guidance is available as part of this policy document.

3. Roles and responsibilities

It is the responsibility of the Governing Body to:

- establish, maintain and monitor relevant policies and procedures;
- ensure that cases are dealt with effectively and fairly;
- ensure governors and staff have appropriate training;
- nominate a governor to deal with cases where a manager would be inappropriate.

It is the responsibility of the Headteacher/Principal and other managers to:

- promote an open environment, free from harassment, in which everyone is treated fairly and reasonably;
- provide appropriate induction and training;
- ensure all concerns are taken seriously and implement relevant policies and procedures in a timely and reasonable manner;
- manage staff in a fair and professional way;
- provide adequate support in respect of complaints;

It is the responsibility of all staff to:

- make every effort to ensure that appointments are made outside of their working hours. Where this is not possible, leave of absence may be requested.

4. Procedure for applications of leave of absence

All applications for leave of absence should be directed to the Headteacher/Principal in the first instance regardless of whether he/she has authority to approve such applications.

Applications for leave of absence should be in writing, however, in some circumstances, such as an emergency, depending on the reason for and duration of the leave requested, a written request may not be necessary.

Employees should give as much notice as possible for any request for leave of absence and where specific notice is required, this is indicated in this policy.

5. Appeals

Any appeal lodged against a decision relating to leave of absence will be heard by the Governing Body appeals committee. The employee and chosen representative (normally the representative of a recognised trade union, or some other appropriate person), will have an opportunity to attend any such meeting and to make representation on their behalf.

The Committee’s decision will be final.
