16th June 2021

Dear Parent/Carers,

Cancellation of face to face Y6 transition events

All of the secondary schools in Thurrock have decided to cancel face to face transition events for Year 6 into Year 7 of their schools. This includes our transition evening on Thursday 24th June. This follows the Government's announcement to delay the ending of lockdown stage 3 due to the rise in Delta Variant cases of Covid 19.

Headteachers/Principals feel that given the rise in such cases that our individual risk assessments rank the risk of transmission through mixing children from so many different primary schools as too high for these events to continue.

All Headteachers are disappointed to have to make such a difficult decision when we so want to welcome our new students to our schools. All Thurrock primary schools have been notified.

We will send out further communications in due course regarding any plans we may be able to make to support the transition process later this term.

With kindest regards

Mrs S Feeney
Associate Headteacher Hassenbrook Academy.
