

Annex 2d: Pupil premium strategy statement (secondary)

| 1. Summary information | | | | | |
|--|--|----------------------------------|------------------------|--|--------|
| School | Hassenbrook Academy | | | | |
| Academic Year | 2019/20 | Total PP budget | £153,340 | Date of most recent PP Review | May 17 |
| Total number of pupils | 530 | Number of pupils eligible for PP | 176 | Date for next internal review of this strategy | |
| 2. Current attainment | | | | | |
| | | | Pupils eligible for PP | Pupils not eligible for PP | |
| % Pupils achieving Grade 5+ in Maths and English | | | 14% | 30% | |
| Progress 8 score average | | | -0.98 | -0.35 | |
| Attainment 8 score average | | | 30.97 | 38.48 | |
| 3. Barriers to future attainment (for pupils eligible for PP) | | | | | |
| In-school barriers <i>(issues to be addressed in school, such as poor literacy skills)</i> | | | | | |
| A. | Progress 8 scores for PP pupils below national figure for non-PP pupils. | | | | |
| B. | Low Aspirations leading to low level disruption which has a detrimental effect on academic progress and that of their peers. | | | | |
| C. | Low ability pupils who are eligible for PP are making less progress than their peers across KS4 preventing sustained high achievement. | | | | |
| External barriers <i>(issues which also require action outside school, such as low attendance rates)</i> | | | | | |
| D. | Attendance rates for PP pupils are below the school target and therefore reduce the school hours causing pupils to fall behind. | | | | |

| 4. Desired outcomes (desired outcomes and how they will be measured) | | Success criteria | | | | | | | | | | | | | | | | | | | | | |

5. Planned expenditure

Academic year

The three headings below enable schools to demonstrate how they are using the Pupil Premium to improve classroom pedagogy, provide targeted support and support whole school strategies.

i. Quality of teaching for all

| Desired outcome | Chosen action / approach | What is the evidence and rationale for this choice? | How will you ensure it is implemented well? | Staff lead | When will you review implementation? |
|-----------------|---|--|--|---|---|
| ABCD | Raise profile/ awareness/ issue updates on progress of Pupil Premium students in initial September INSET then periodically through staff briefings. Ensure that PP reflected in MINT seating plans. | Greater staff awareness can lead to strategic interventions. Greater engagement of PP students leading to more desire to attend/ succeed. | QAL process. | AHT Pupil Premium/ SLT/ HoY 11 | Ongoing from start of academic year. |
| A and C | Holiday University and Booster sessions Primarily targeted at PP pupils but includes non-PP pupils. | Sessions in both Maths and English targeted at specific PP pupils and other pupils who are not making enough progress in relation to starting points. Maths and English sessions start from the very first week of the academic year. These sessions are created to meet the needs of the target audience, some designed to consolidate skills and some to stretch at the higher ability levels. | Coordinated by the head of Maths and English. Students are selected and invited and all attendance monitored. | Head of core subjects DHT student progress | Ongoing from start of academic year and reviewed each data drop. £10000 Staffing costs Refreshments Reprographics and resources |

| | | | | | |
|---------|--|--|---|----------------------------|--|
| A and C | Small group tuition in Year 11 for English but also for maths. | Selected students in year 11 given extra curriculum time in both English and Maths to enhance progress for PP students who have a narrower curriculum to ensure maximum progress in core subjects. Extra specialists employed in Maths and English. Smaller numbers of pupils in sets | Co-ordinated by head of Maths and English. Lessons observed on a regular basis to quality control. | Core leaders | Every data drop £15000 Extra Staff costs |
| A and C | Tailored CPD sessions across school twilight sessions | Carefully planned CPD sessions planned and allocated according to experience and needs. Sessions including Feedback, Meta cognition, phonics, AFL and Use of technology and many other aspects of teaching and learning designed to further enhance the learning experience of a daily basis for PP and other students. Wednesday briefings highlight key student groups, incl focus on PP students. | 10 Twilight sessions across the year and across the trust co-ordinated by the CPD co-ordinators of both schools. All sessions attendance is monitored and is linked to PM and monitored through lesson observations, drop ins and learning walks which all have a focus. Weekly Foci for AFL, behaviour and the Trust's Good to Great policy are also communicated to staff | CPD Co-ordinators | Following each twilight and impact reviewed via observations and learning walks on an on-going basis. Resources and planning costs £2000 |
| | | | | Total budgeted cost | £27000 |

ii. Targeted support

| Desired outcome | Chosen action / approach | What is the evidence and rationale for this choice? | How will you ensure it is implemented well? | Staff lead | When will you review implementation? |
|------------------------|---|--|---|--------------------------------------|--|
| B and C | Alternative learning pathway Hub | PP Students in KS4 who would struggle to access a fully academic programme are given access to off-site vocational courses. These students then focus on the core curriculum in school but remain progress 8 compliant, with a vocational thread added. Engagement for these pupils will increase in school as well as conduct and attitude. Internal withdrawal of key students to focus on basic literacy/ numeracy/ social skills. | AHT to oversee provision and ensure a bespoke timetable is created for each student. Students' progress is monitored in school but also visits are conducted off site and reports from vocational courses are sent to the school SENCO/ HLTA | AHT | Each data drop £38000 Provisions by outside companies Transport costs £24000 Staffing Costs |
| D | Attendance officer appointed to monitor attendance and quickly chase up trancies, follow up attendance patterns and closely monitor regular absentees | Attendance officer with a brief to improve attendance of all students but with a priority on improving the attendance of PP pupils which are below the national average. This includes home visits and regular home contact. If pupils are not present they cannot learn. EWO Services | Attendance officer aware of pupils who are PP with poor attendance records. DH and attendance team are quick to chase up pupil absence. DH monitors and attendance figures are updated weekly. | DH Team around the child team | Half termly £18000 Staff costs £1000 |

| | | | | | |
|--|--|--|--|------------------------------------|---------|
| | | | Team around the child meetings to discuss individual issues | | |
| | | | | Total budgeted cost | £81,000 |

iii. Other approaches

| Desired outcome | Chosen action / approach | What is the evidence and rationale for this choice? | How will you ensure it is implemented well? | Staff lead | When will you review implementation? |
|-----------------|---|---|--|--|---|
| A, B and C | <p>Purchase of educational software to further enhance learning both in the academy and at home.</p> <p>Affiliation to Pixl to work alongside other schools to pool resources and standardise both assessment and delivery of materials</p> <p>Active Learner Cards</p> | <p>The school has purchased Mathswatch allowing all pupils to access extra materials and extend home learning, this included the App which students can use on Ipads and Mobile phones.</p> <p>The school has joined Pixl which brings along a whole new set of resources which both staff and students can access. The school can also access the Pixl curve which allows access to standardised assessments and monitoring in preparation for new style more demanding examinations and courses. All students have access to these resources.</p> <p>Emphasis on Active learning and resilience, reflection and collaborating promotes independence and acquisition of social currency.</p> | Software used by all students and Pixl resources used widely across the school | <p>Pixl and Hudl Champions</p> <p>Core subject leaders</p> <p>AHT Behaviour.</p> | <p>Half termly</p> <p>£10000</p> <p>£8000 - rewards</p> |

| | | | | | |
|---------|--------------------------------------|--|---|-----------|--|
| B and D | Careers days/ IAG/ Careers advice | SEN/LA/PP pupils prioritised for careers meetings in years 10/11 to raise aspirations and provide direction. "Career ready" career days provided for all year groups to broaden horizons and make the education pathway more relevant. | Organised by careers co-ordinator and supervised by AHT behaviour and safety. | AHT/SLT | £5000 |
| B and D | Breakfast Club | Morning facility allowing pupils to access the school before the day begins and socialise and eat/drink in order to prepare for the school day. | Well established by experienced staff and monitored daily. | All staff | £3000 Staffing Food costs Attendance monitored weekly |
| B and D | Proximity Chaplaincy | Support from an off-site organisation providing after school snacks/drinks. On-site "listening ear" to provide drop in support and also targeted support where necessary. This also includes the Made course which aims to boost the self-esteem of a select number of students over the duration of a 10 week course. | Liaison with AHT behaviour and safety | AHT | £2000 Made course |
| A and C | Revision resources all subjects | Students provided with free revision guides, exam banks and texts where necessary to support revision in all subjects as required. | Co-ordinated by DH in partnership with lead learners as demand occurs | DH | £5000 Revision guides Transportation costs to revision sessions All other resources |

| | | | | | |
|----------------------------|---|---|---|---------------------------|---|
| B and D | Target PP students in questionnaire to assess needs - e.g. IT access, after-school activity, use of library. Results influence provision and who is pushed towards after-school activity. | Evidence shows lack of after-school/ home IT negatively affects progress. | Robust collation and tracking via achievement data to assess effects of intervention. | AHT Pupil Premium/ HoY 11 | £2000 Provision of staff using questionnaires/ staffing after-school activity. |
| B and D | Social and Emotional intervention – counselling/ mentoring sessions. | Address behavioural issues which affect access to learning. | Tracking of attendance/ strategic placement of students on programmes/ tracking of behavioural and academic data. | PSMs/ PSA/ LeadPrac BFL. | £14000. |
